

How to reach MAN SE

Address

MAN SE, Ungererstrasse 69, 80805 Munich/Germany. Only limited parking is available in the underground garage; we therefore recommend coming with public transportation.

By train

From Munich Central Station, take any S-Bahn commuter train to Marienplatz. Transfer to subway U6 going to Fröttmaning/Garching-Hochbrück and ride to the Nordfriedhof stop. Exit the train and take the stairway at the back of the station (i.e. in relation to the direction of travel) to the mezzanine and then take the escalator on the right. The stop is ca. 50 m. from the entrance of MAN SE.

By air

We recommend taking the Lufthansa Airport Bus to Munich. Airport bus stops are located in terminals A and D as well as in the central area (stop 2). Take the airport bus to the "München-Schwabing" stop (Ungererstrasse). To reach MAN SE, cross Ungererstrasse, turn left and then walk 150 m (towards city center). You can also take the S-Bahn commuter train into Munich if you wish. To reach MAN SE, take either the S1 or S8 to the Marienplatz stop. From there, follow the directions found above under "By train".

By car

Cross the freeway entrance to the A9, get into the right-hand lane, drive to the light and then turn right onto Ungererstrasse. MAN SE is located on the right after approx. 150 m.
